

108 Neutra-Shampoo

Brush shampoo pH-neutral

- ▲ Dissolves common dirt from vehicles
- ▲ Effectively removes dissolved dirt from the vehicle surface
- ▲ Offers exceptional protection of the vehicle, and thus is also suited to manual washing
- ▲ Ideally suited for use in recycling water plants
- ▲ Creates a pleasant atmosphere with a subtle aroma
- ▲ Particularly environmentally aware and gentle composition
- ▲ Economical thanks to the high product concentration
- ▲ Free from EDTA, NTA and phosphates

Application

Product is suitable for pre-dilution

Apply either undiluted or prediluted to the application with a suitable dosing device. The shelf life of diluted solutions is reduced by the storage conditions and water quality.

Shampoo:

In automatic car washes as brush shampoo (5–10 ml/car; 25–80 ml/truck).

Manual vehicle wash:

using a sponge or cloth with a bucket (1:500-1:1000).

In automatic car washes as active foam.

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Nonionic surfactants 15–30%, solubilizers, additives, dyes, fragrances (Geraniol, Benzylalcohol, Citronello), preservatives (Sodium Pyrithione, Benzisothiazolinone).

pH value (concentrate): approx. 6.5
