

216 Rubin

High-level gloss preserver with protection formula - superconcentrate

- ▲ Preserves and maintains all vehicle surfaces particularly intensively
- ▲ Long-lasting protection against weather and environmental influences and an excellent surface gloss finish
- ▲ Impregnating effect ensuring excellent water and dirt repellency
- ▲ Excellent drying results, even without the additional use of drying agents
- ▲ Full care effect even after the first wash
- ▲ No layer build-up and no smearing
- ▲ Very high foam volume that collapses quickly when used in foam devices
- ▲ Ideal for convertible soft top canvas
- ▲ Provides a pleasant and intensive fragrance experience
- ▲ Extremely economical thanks to the maximum content of active ingredient in the superconcentrate
- ▲ Free of hydrocarbons and mineral oils

Note

Not a consumer product according to 1999/44/EC Art. 1! For professional use only! Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product.
