

114 Separa

Fast separating universal cleaner

- ▲ Outstanding cleaning performance when faced with road dirt, insects, oils and brake abrasion
- ▲ Outstanding at dissolving statically adhesive dirt
- ▲ Offers a very good protection of the vehicle and car wash equipment
- ▲ Optimised for a rapid separation in the light liquid separator
- ▲ Particularly environmentally aware and gentle composition
- ▲ Economical thanks to the high product concentration
- ▲ Free from EDTA, NTA and phosphates

Application

Product is suitable for pre-dilution

Apply either undiluted or pre-diluted to the application with a suitable dosing device using a ratio of 1:2. The shelf life of diluted solutions is reduced by the storage conditions and water quality. Also suitable for the use by end consumers if they have been given sufficient instructions.

Self-service cleaner:

In low-pressure systems as a spray application ($\geq 1:50$).

In high-pressure systems as a spray application (12–25 ml/min).

Intensive cleaner:

For engine cleaning (1:3-1:5).

For the workshop floor as basic cleaning ($\geq 1:5$).

For the workshop floor as routine cleaning ($\geq 1:50$).

For petrol pump cleaning (1:5-1:20).

For refuel areas (1:10-1:100).

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. The plant manufacturer's instructions must be adhered to. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Anionic surfactants 5–15%, complexing agents, water-soluble solvents, additives, dyes.
pH value (concentrate): approx. 11
